

Studentnest, Inc. (hereinafter referred to as “SN”) is pleased to submit a proposal to offer Supplemental Online Academic Enrichment Learning Opportunities in light of COVID-19 crisis to reduce risk of exposure of students as well as educators. SN proposes to offer online/digital instructional services through its dedicated program called **Nesting Success** which is **high quality** and specifically designed to provide personalized learning opportunities for students at juvenile halls, detention camps, county community schools, and group homes. We deliver **robust engagement** anchored in positive youth development. We focus on **continuous improvement** using school and student data to tailor programming and instruction focused on results relating to attendance, proficiency graduation, and college and career readiness.

SN has over 16 years’ experience in providing services to a multitude of entities, which include counties, cities, school districts, and individual schools. Since its formation in 2004, we have served over 65,000 individuals from 2,100+ schools with more than 2.25 Million Hours of educational services, over 90 Million Minutes and have completed over 250,000 assessments. We have expanded our service reach across the U.S. to School Districts, State Boards of Education & other organizations in California, Arizona, Alaska, Colorado, Florida, Georgia, Iowa, Michigan, Mississippi, Montana, Nebraska, New Jersey, Nevada, Ohio, Oregon, Oklahoma, Pennsylvania, South Dakota, Texas, Utah, Vermont, Washington, Wisconsin and Wyoming.

SN's mission is to help our students build a nest of educational success to secure a soaring future. We believe that all students have the capability to excel if they are provided with high-quality instruction directed by skilled and caring educators. With this goal in mind, SN works diligently to provide low-cost, high-quality intervention, prevention, mentoring and other services to students at juvenile halls, detention camps, county community schools, and group homes. Curriculum (aligned to the State Standards) and Assessments (pre, mid and post) are the backbone of our Title I programs and services. **Nesting Success** is based on extensive review of published national standards, studies, codes, state standards and internal analyses.
