

Advancing Educator Learning with **On-Demand Online Support**

Get first-hand access to Scholastic's latest online professional learning trainings and resources to support your teaching and learning goals.

Get Started Today!

Do your new teachers need a **foundational understanding of guided reading?**

Do your more experienced teachers need a **refresher course?**

Enhance your guided reading initiative with this **brand-new course** for teachers!

Guided Reading: From Planning to Promise

In this **self-paced online course**, educators will **build an essential understanding of how to plan and effectively teach small-group guided reading lessons**. Participants will read articles, engage in interactive learning, write lesson plans, and evaluate the effectiveness of sample guided reading lessons. They will walk away able to guide and support students as they practice new reading skills and strategies.

See the back for in-depth learning outcomes to ensure that teachers obtain the building blocks to launch effective guided reading strategies and practices in their classrooms!
